

RYDE PANTHERS FOOTBALL CLUB

Registration Information

It is a requirement of Football Federation Australia that all players **must be registered through Play Football**. It is CRITICALLY IMPORTANT that you register before 23rd March so that you can play in the first match of the season.

1) LINKS TO REGISTERING IN PLAYFOOTBALL

Please note – **all new players** will need to upload a **Head and Shoulder** photo in order to complete the process. The system will not permit you to continue until this has been uploaded. All photos CANNOT be more than 3 years old.

Mixed and ALL Age Men play on Saturdays while Girls and Women's ONLY play on Sunday. For females wanting to play in the Sunday competition, make sure you select "Women's" under the Additional Questions

2) ACTIVE KIDS VOUCHER - HOW TO CLAIM YOUR \$ 50/player discount

This Season, the NSW Government has changed the program but anyone who is eligible for Family Tax Benefit A will be able to access the Active Kids Rebate Program for all school aged children 4.5-18 years. Please note, if claiming, you need to have your voucher code ready **BEFORE** you register online following the steps above.

The link to do so is: <https://www.service.nsw.gov.au/transaction/apply-active-kids-voucher>

Once you have the voucher code, it's a simple entry on the registration page to enter the code. The \$ 50 will automatically be deducted from player rego fees due. For more information – <https://www.sport.nsw.gov.au/active-kids/active-kids-information-for-parents>

To be awarded discounts (apart from early Bird discount) **please** email info@rydepanthers.football. This will be checked and a refund will be determined if you have paid the full fees.

Please note that there is no student discount in Season 2024.

3) PAYMENT

✓ **CREDIT CARD** online via the Play Football process

If you are unable to pay via the Play Football process, please contact us to arrange other payment.

4) PLAYER COMMENTS TO BE NOTED

It is Ryde Panthers Football Club policy as a rule, not to grade players. That said, in season 2024, we will again have graded U9, U10, U11, U12 & U13 teams that we refer to as our Advanced Squads (PAS).

Priority for selection in a team will be given to players who played in that team in the prior season, provided they register before the early bird cut off date of 26th February 2024, midnight.

Players under the age of 18 will usually play in an age group that corresponds to the age they turn this year. For example, if your child turns 10 this year they will play in an Under 10 competition. However, although every effort will be made to accommodate your request the final allocation will depend on registration numbers.

If you are new to the Club OR you have a specific request (friend association, etc.) then please say so in the **additional questions on Play Football** when you register online. Your request will be considered and implemented if possible.

6) Please consider: WE LOVE HELP.

Since its establishment in 1958, and first competition games in 1959, Ryde Panthers Football Club has been run solely by volunteers. Our management committee is a dedicated bunch who are always open to comments, criticism and positivity. A family based Club with good old fashioned values.

Should you wish to put up your hand to help, whether it be coach, manager, team contact or whatever, please put this in the **additional questions on Play Football** when you register online. Alternatively, please email info@rydepanthers.football for your request to be heard.
